

REVELATION & CO is founded on

5 CORE VALUES:

1. CONNECTION – It is important that dancers learn to connect with themselves, with each other, and with an audience. At R&C, we are family. Connection is our foundation. Because we are connected, we treat each other with kindness and respect. R&C is a NO MEAN GIRL (or boy) ZONE.

2. ART – We believe that (above all else) Dance is Art. And we treat it accordingly. Art is subjective; therefore, so is Dance. While it requires discipline and skill, dance also requires vision and depth and years to tell a story. We believe in artistry (telling a story) first – tricks second.

3. REVELATION – Dance is more than just a series of movements. Dance reveals within us grit, integrity, empathy, love, and much more. When we connect with our art and through our art, we get revelation that affects all areas of our lives.

4. EDUCATION – We strive to provide our dancers with the best in dance education by first training to be the best dance educators we can. We are DANCE DEGREED from Oklahoma City University, PROGRESSIVE BALLET TECHNIQUE certified, CLI STUDIOS certified, and COMMITTED to continuous education.

5. SAFETY – The safety and well-being of our dancers are always at the forefront of our policy choices. We have plans in place to help protect your child against dance injuries, against predators, and against pandemics. As new challenges arise, we will rise with them.
